

Name _____

Week of February 11

Each night you should read for 20 minutes and complete one task from the options below. Each choice must be in a different column.

SS/Science	Vocabulary	Reading	Math	Writing
Spend time looking for items for your country poster	Draw one picture that shows the meaning of two vocabulary words	Draw the setting of the book you are reading.	Complete this week's review problems	Draw a picture that shows a man vs. nature conflict
Research: Which island in the Caribbean has the largest number of people?	Complete the vocabulary crossword puzzle	Consider the book you are now reading. In what point of view is it told? Explain why the author chose this point of view to tell the story.	Earn a green light in Reflex Math (cannot be completed on the same day you earn a green light in class)	In your writer's notebook, write a poem about the winter or a winter activity
Watch Ask Doug: Why can't planes fly to space?	Use Google Docs to create a quiz on the words and definitions. Share it with Mr. Maloof	Update your reading list on Weebly with the titles of any books you have finished reading	Complete Escape Room Georgia	Print a picture of your favorite animal and tape it in your writer's notebook. Write an entry about the animal.

Instructions

- Each day you should choose one activity to complete at home. You must choose an activity from a different column each day. If you select something from math on Tuesday, you must choose different columns for the remainder of the week.
- Use a marker or pen to mark the box each time you complete an activity. Use this code:
M for Monday
T for Tuesday
W for Wednesday
TH for Thursday
